Dear Jason Smathers:

This is in response to your Freedom of Information Act/Privacy Act (FOIA/PA) request received in this office October 24, 2011 regarding all records relating to FOIA request NRC2009051346.

We have completed the review of all documents and have identified 42 pages that are responsive to your request. Enclosed are 42 pages released in part. In our review of these pages, we have determined that they contain no reasonably segregable portion(s) of non-exempt information. We have reviewed and have determined to release all information except those portions that are exempt pursuant to 5 U.S.C. § 552 (b)(5) and (b)(6) of the FOIA:

- ❑ Exemption (b)(5) provides protection for inter-agency or intra-agency memoranda or letters, which would not be available by law to a party other than an agency in litigation with the agency. The types of documents and/or information we have withheld under this exemption may consist of documents containing pre-decisional information, documents or other memoranda prepared in contemplation of litigation, or confidential communications between attorney and client.
- ❑ Exemption (b)(6) permits the government to withhold all information about individuals in personnel, medical and similar files where the disclosure of such information would constitute a clearly unwarranted invasion of personal privacy. The types of documents and/or information we have withheld may consist of birth certificates, naturalization certificates, drivers' licenses, social security numbers, home addresses, dates of birth, or various other documents and/or information belonging to a third party that are considered personal.

In accordance with Department of Homeland Security Regulations (6 C.F.R. § 5.4(a)), USCIS uses a "cut-off" date to delineate the scope of a FOIA request by treating records created after that date as not responsive to that request. Therefore, in determining which records are responsive to your request, we included only records in the possession of this agency as of October 26, 2011, the date we began the search for records.

There are additional documents that contain discretionary releases of exempt information. These releases are specifically identified in the responsive record. These discretionary releases do not waive our ability to invoke applicable FOIA exemptions for similar or related information in the future.

The enclosed record consists of the best reproducible copies available. Certain pages contain marks that appear to be blacked-out information. The black marks were made prior to our receipt of the file and are not information we have withheld under the provisions of the FOIA or PA.

If you wish to appeal this determination, you may write to the USCIS FOIA/PA Appeals Office, 150 Space Center Loop, Suite 500, Lee's Summit, MO 64064-2139, within 60 days of the date of this letter. Both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

The National Records Center does not process petitions, applications or any other type of benefit under the Immigration and Nationality Act. If you have questions or wish to submit documentation relating to a matter pending with the bureau, you must address these issues with your nearest District Office.

All FOIA/PA related requests, including address changes, must be submitted in writing and be signed by the requester. Please include the control number listed above on all correspondence with this office. Requests may be mailed to the FOIA/PA Officer at the PO Box listed at the top of the letterhead, or sent by fax to (816) 350-5785. You may also submit FOIA/PA related requests to our e-mail address at uscis.foia@uscis.dhs.gov.

Sincerely,

Jill A. Eggleston
